

# Mobile and Smart Technology Policy

# Downsview

Community Primary School

Approved by:	Governing Body
Date:	29.03.23
Next review due by:	March 2024

## 1. Policy aims and scope

- This policy has been written by Downsview Community Primary School building on The Education People's mobile and smart technology policy template with specialist advice and input as required, taking into account the DfE statutory guidance '[Keeping Children Safe in Education](#)' 2022, '[Early Years and Foundation Stage](#) 2021, '[Working Together to Safeguard Children](#)' 2018, '[Behaviour in Schools Advice for headteachers and school staff](#)' 2022 '[Searching, screening and confiscation at school](#)' 2022 and the local [Kent Safeguarding Children Multi-agency Partnership](#) (KSCMP) procedures.
- The purpose of this policy is to safeguard and promote the welfare of all members of the Downsview Community Primary School community when using mobile devices and smart technology.
  - Downsview Community Primary School recognises that online safety is an essential part of safeguarding and acknowledges its duty to ensure that all pupils and staff are protected from potential harm when using mobile and smart technology.
  - As outlined in our Child Protection Policy, the Designated Safeguarding Lead (DSL), Richard Moore (Head Teacher), is recognised as having overall responsibility for online safety.
- This policy applies to all access to and use of all mobile and smart technology on site; this includes mobile phones and personal devices such as tablets, e-readers, games consoles and wearable technology, such as 'smart watches and fitness trackers, which facilitate communication or have the capability to record sound and/or images.
- This policy applies to pupils parents, carers and all staff, including the governing body, leadership team, teachers, support staff, external contractors, visitors, volunteers and other individuals who work for, or provide services on behalf of the setting (collectively referred to as "staff" in this policy).

## 2. Links with other policies

- This policy links with several other policies, practices and action plans, including but not limited to:
  - Anti-bullying policy
  - Acceptable Use Policies (AUP)
  - Behaviour Policy
  - Child Protection Policy
  - Staff Code of Conduct
  - Curriculum policies, such as: Computing, Personal Social and Health Education (PSHE), Citizenship and Relationships and Sex Education (RSE)

- Data Protection Policy

### **3. Safe use of mobile and smart technology expectations**

- Downsvew Community Primary School recognises that use of mobile and smart technologies is part of everyday life for many pupils, staff and parents/carers.
- Electronic devices of any kind that are brought onto site are the responsibility of the user. All members of the school community are advised to:
  - take steps to protect their mobile phones or personal devices from loss, theft or damage; we accept no responsibility for the loss, theft or damage of such items on our premises.
  - use passwords/PIN numbers to ensure that unauthorised access, calls or actions cannot be made on their phones or devices.
- Mobile phones and personal devices are not permitted to be used in specific areas on site or when engaged in school activity, such as classrooms, the playground changing rooms, toilets and swimming pools.
- The sending of abusive or inappropriate messages or content, including via personal smart devices and mobile phones is forbidden by any member of the community; any breaches will be dealt with in line with our anti-bullying, behaviour and child protection policies.
- All members of the Downsvew Community Primary School community are advised to ensure that their mobile phones and personal devices do not contain any content which may be offensive, derogatory or illegal, or which would otherwise contravene our behaviour or child protection policies.

### **4. School provided mobile phones and devices**

- Some members of staff will be issued with a school iPad in addition to their work email address, where contact with parents and carers is required.
- Staff providing formal remote learning will do so using school provided equipment in accordance with our Acceptable Use Policy (AUP).
- School mobile phones and devices will be suitably protected via a passcode and must only be accessed or used by members of staff.
- Where staff and/or children/pupils/students are using school provided iPads or devices, they will be informed prior to use via our Acceptable Use Policy (AUP) that activity may be monitored for safeguarding reasons and to ensure policy compliance.

## 5. Staff use of mobile and smart technology

- Members of staff will ensure that use of any mobile and smart technology, including personal phones and mobile devices, will take place in accordance with the law, as well as relevant school policy and procedures, such as data protection, child protection, data security staff code of conduct and acceptable use policies.
- Staff will be advised to:
  - Keep mobile phones and personal devices in a safe and secure place (for example locked in a drawer) during lesson time.
  - Keep personal mobile phones and devices switched off or set to 'silent' mode during lesson times.
  - Ensure that Bluetooth or other forms of communication, such as 'airdrop', are hidden or disabled during lesson times.
  - Not use personal devices during teaching periods unless written permission has been given by the head teacher such as in emergency circumstances.
  - Ensure that any content bought onto site via personal mobile phones and devices is compatible with their professional role and our behaviour expectations.
- Members of staff are not permitted to use their own personal phones or devices for contacting parents and carers unless given permission to do so by the head teacher. When contacting parents and carers from personal devices, caller ID should be disabled.
  - Any pre-existing relationships or circumstance, which could compromise staff's ability to comply with this, will be discussed with the head teacher.
- Staff will only use school provided equipment (not personal devices):
  - to take photos or videos of pupils in line with our image use policy.
  - to work directly with pupils during lessons/educational activities.
  - to communicate with parents/carers.
- Where remote learning activities take place, staff will use school provided equipment. If this is not available, staff will only use personal devices with prior approval from the head teacher, following a formal risk assessment. Staff will follow clear guidance outlined in the Acceptable Use Policy.
- If a member of staff breaches our policy, action will be taken in line with our staff code of conduct and allegations policy.
- If a member of staff is thought to have illegal content saved or stored on a mobile phone or personal device or have committed a criminal offence using a personal device or mobile phone, the police will be contacted and the LADO (Local Authority Designated Officer) will be informed in line with our allegations policy.

## 6. Children/pupils/students use of mobile and smart technology

- **Pupils** will be educated regarding the safe and appropriate use of mobile and smart technology, including mobile phones and personal devices, and will be made aware of behaviour expectations and consequences for policy breaches.
- Safe and appropriate use of mobile and smart technology will be taught to **pupils** as part of an embedded and progressive safeguarding education approach using age-appropriate sites and resources. Further information is contained within our child protection and relevant specific curriculum policies **such as the RSE and computing curriculum**.
- Mobile phones and/or personal devices **will not** be used on site by **pupils**.
- Downsview Community Primary School expects **pupils** personal devices and mobile phones to be kept safe and secure when on site by handing them to the class teacher on entering the classroom. If a **child/pupil/student** needs to contact their parents or carers whilst on site, they will be allowed to use a **school** phone
  - Parents are advised to contact their child via the **school** office.
- If a **pupil** requires access to a personal device in exceptional circumstances, for example medical assistance and monitoring, this will be discussed with the **head teacher** prior to use being permitted.
  - Any arrangements regarding access to personal devices in exceptional circumstances will be documented and recorded by the **school on MyConcern**.
  - Any specific agreements and expectations (including sanctions for misuse) will be provided in writing and agreed by the pupil **and** their parents or carers before use is permitted.
- Where **pupils** mobile phones or personal devices are used when learning at home, this will be in accordance with our **Acceptable Use Policy**.
- Mobile phones and personal devices must not be taken into examinations. **Pupils** found in possession of a mobile phone or personal device which facilitates communication or internet access during an exam will be reported to the appropriate examining body. This may result in the withdrawal from either that examination or all examinations.

### 6.1 Screening, searching and confiscation of electronic devices

- Electronic devices, including mobile phones, can contain files or data which relate to an offence, or which may cause harm to another person. This includes, but is not limited to, indecent images of children, pornography, abusive messages, images or videos, or evidence relating to suspected criminal behaviour.

- Where there are any concerns regarding pupils' use of mobile technology or policy breaches, they will be dealt with in accordance with our existing policies, including anti-bullying, child protection and behaviour.
- Staff may confiscate a pupil's mobile phone or device if they believe it is being used to contravene our child protection or behaviour policy.
- Mobile phones and devices that have been confiscated will be held in a secure place and released to parents/carers.
- Where a concern involves a potentially indecent image or video of a child, staff will respond in line with our child protection policy and will confiscate devices, avoid looking at any content, and refer the incident to the Designated Safeguarding Lead (or deputy) urgently as they will be most appropriate person to respond.
- If there is suspicion that data or files on a pupil's personal device or mobile phone may be illegal, or may provide evidence relating to a criminal offence, the device will be handed over to the police for further investigation.
- If deemed to be necessary and appropriate, searches of mobile phones or personal devices may be carried out in accordance with our behaviour policy and the DfE ['Searching, Screening and Confiscation'](#) guidance.
- Staff will respond in line with our child protection policy and follow the most appropriate safeguarding response if they find images, data or files on a pupil's electronic device that they reasonably suspect are likely to put a person at risk.
- The Designated Safeguarding Lead (or deputy) will always be informed of any searching incidents where authorised members of staff have reasonable grounds to suspect a pupil was in possession of prohibited items, as identified in our behaviour policy.
- The Designated Safeguarding Lead (or deputy) will be involved without delay if staff believe a search of a pupil's device has revealed a safeguarding risk.
- In exceptional circumstances and in accordance with our behaviour policy and the DfE ['Searching, Screening and Confiscation'](#) guidance, the headteacher or authorised members of staff may examine or erase data or files if there is a good reason to do so.
- If the headteacher or a member of staff finds any data or files that they suspect might constitute a specified offence, they will be delivered to the police as soon as is reasonably practicable.

## **7. Visitors' use of mobile and smart technology**

- Parents/carers and visitors, including volunteers and contractors, are expected to ensure that mobile phones and personal devices are only permitted within specific areas or are only permitted for specific purpose, for example, as part of multi-agency working arrangements.

- Appropriate signage and information are in place to inform visitors of our expectations for safe and appropriate use of personal devices and mobile phones.
- Visitors, including volunteers and contractors, who are on site for regular or extended periods of time are expected to use mobile and smart technology in accordance with our acceptable use of technology policy and other associated policies, including child protection.
- If visitors require access to mobile and smart technology, for example when working with pupils as part of multi-agency activity, this will be discussed with the head teacher prior to use being permitted.
- Members of staff are expected to challenge visitors if they have concerns about their use of mobile and smart technology and will inform the DSL or head teacher of any breaches of our policy.

## **8. Policy monitoring and review**

- Technology evolves and changes rapidly. Downsview Community Primary School will review this policy at least annually. The policy will be revised following any national or local policy updates, any local concerns and/or any changes to our technical infrastructure.
- We will regularly monitor internet use taking place via our provided devices and systems and evaluate online safety mechanisms to ensure that this policy is consistently applied. Any issues identified will be incorporated into our action planning.

## **9. Responding to policy breaches**

- All members of the community are informed of the need to report policy breaches or concerns in line with existing school policies and procedures. This includes the child protection policy, acceptable use policy and staff code of conduct.
- Where pupils breach this policy:
  - appropriate sanctions and/or pastoral/welfare support will be implemented in line with our behaviour policy.
  - concerns will be shared with parents/carers as appropriate.
  - we will respond in line with our child protection policy, if there is a concern that a child is at risk of harm.
- After any investigations are completed, leadership staff will debrief, identify lessons learnt and implement any policy or curriculum changes, as required.
- We require staff, parents/carers and pupils to work in partnership with us to resolve issues.
- All members of the community will respect confidentiality and the need to follow the official procedures for reporting concerns.

- Pupils, parents, carers and staff will be informed of our complaints procedure and staff will be made aware of the whistleblowing procedure.
- If we are unsure how to proceed with an incident or concern, the DSL (or a deputy) or will seek advice from the Education People's Education Safeguarding Service or other agency in accordance with our child protection policy.
