

Reception – Spring 1 Topic Web -

Communication and Language

This term, we will continue to develop our group discussions by offering explanations and ideas about a text. We will also continue to learn more of our sounds in phonics and begin to write simple CVC words.

Mathematics

In maths, we will continue to subitise numbers up to 5 and beyond and develop our counting skills. We will begin to compare and order numbers up to 10. We will show our understanding using manipulatives and begin to correctly write numerals to show an answer.

Literacy

This term, we are reading 'A Brave Bear' and 'My Pet Goldfish'. We will be developing our prediction and re-telling skills using key vocabulary from the stories. We will be learning to recognise and write a range of digraphs forming most letters correctly.

Understanding the World

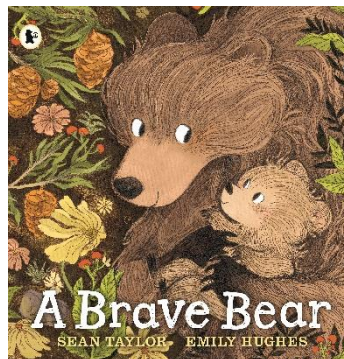

We will begin to learn about animals in different habitats and how to look after pets. We will explain simple differences and similarities.

Physical Development

We will continue to develop strengthening our fine motor skills to help us hold a pencil effectively. We will also be learning to develop our ball skills and move in a range of ways.

PSED

We will continue to explore our own feelings and those of others. We will also set and work towards a set of simple goals in our learning.

Expressive Art and Design

We will continue to explore different materials and resources to create our own art work. We will also be developing our roleplay skills.
