

YEAR 3 – Autumn 2 TOPIC WEB

ENGLISH

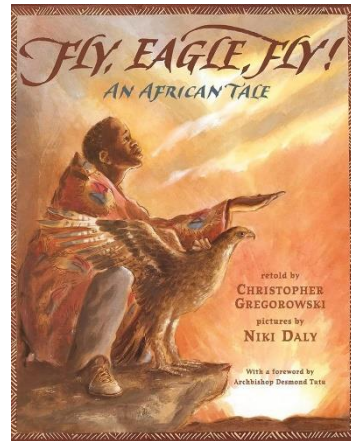

This term we will be writing diary entries, recounts and narratives based on the story “Fly, Eagle, Fly” by Christopher Gregorowski. We will be supporting this with adverbs as well as focusing on structural features to organise our writing.

MATHS

In Maths, we will be finishing off our work on addition and subtraction, then we will move on to multiplication and division hoping to recount learning of 2,5 and 10 times tables from Y2, and building on these to learn 3, 4 and 8 moving forwards.

SCIENCE

In Science, we will be learning about the features of plants and how they grow and sustain themselves. We will look at what keeps plants safe and how water is transported around the plant.

HUMANITIES

In Geography this term, we will be looking at the land use within the UK and how we can display this information efficiently using maps and keys.

RE

In R.E. this term we will be looking at different beliefs about the deities in different religions. We will learn about how these figures are presented and why they are important.

ART & DESIGN

In D.T. we will be looking at a balanced diet and what a healthy meal is. We will finish the term up by designing and presenting our own ideas for healthy snacks.

COMPUTING

In computing this term, we will begin to look at online safety and how we can best protect ourselves and others online.
