

# YEAR 3 – AUTUMN 1 TOPIC WEB – STONE AGE TO BRONZE AGE

## ENGLISH

This term we will be writing diary entries, character descriptions and an adventure story based inspired by the book "Ug, Boy Genius of the Stone Age" by Raymond Briggs. While doing this, we will be learning appropriate grammatical features to aid their understanding.

## MATHS

In Maths, we will be following the White Rose scheme, learning about place value and addition looking at numbers that utilise hundreds, tens and ones. Following that, we will learn about formal methods of column addition and subtraction.

## SCIENCE

In Science, we will be learning about the human body and comparing it to animals not just by how we look, but also by what we need to survive and lead a healthy lifestyle.

## HUMANITIES

In History this term, we will be learning about the Stone Age to the Bronze Age, this will include looking at what is needed to survive as well as advancements in technology.

## PE

This term in P.E., we will be continuing with our competitive games and introducing the children to tag rugby and the skills that come along with it.

## RE

In R.E. this term we will be learning about what it means to believe in something as well as different religions and their perceptions of God.

## ART & DESIGN

In Art, we will taking inspiration from Stone Age cave paintings and creating our own Stone Age murals. We will also learn how to mix colour.

## COMPUTING

In computing this term, we will begin to learn coding and how objects on a computer can be animated to move across the screen.
