

# YEAR 6 – AUTUMN TOPIC WEB

## ENGLISH

This term we will be writing setting descriptions, a diary entry in the role of a character and a newspaper report.

Our focus text this term will be 'Holes' by Louis Sachar.

## MATHS

This term we will be focusing on number: place value and the four operations.

The children will be approaching these topics with the 'mastery' approach to maths – fluency, reasoning and problem solving.

## SCIENCE

In science this term we will be learning about 'Living Things & Their Habitats'. This will include looking at fossils and the adaptation of animals, as well as topics around evolution and extinction.

#HOLES13001

## HUMANITIES

We will be focussing on North America. A focus on physical and human geography will help us build a clear understanding of the region from climate all the way through to population.

## RE

We will be looking at the question: "What do religions say to us when life gets hard?". This will incorporate looking at different religious beliefs on the afterlife.

## ART & DESIGN

Our focus artist is Tim Jeffs and we will be looking at his intricate drawings and colouring techniques as we build up to 3D shading and proportion work.

## COMPUTING

In computing this term we will be app designers, thinking about the solutions apps can provide and the best design for them.
